

**PROGRAM:** Hospitality Management

**PROGRAM  
CIP CODE:** 52.0900

**DESCRIPTION:** The Hospitality Management program is designed to prepare students for employment in positions that provide customer-focused services in such facilities as hotels, resorts, convention centers, National parks, RV parks, travel agencies and cruise lines. A student completing this program will possess the knowledge and skills associated with reservations and front desk operations, meeting and banquet room support services, food and beverage support services, housekeeping, laundry operations, supervisory functions, and environmental functions. In addition to these skills, students will possess advanced employability skills including critical and conceptual thinking, communications, applied academics, life and employability skills, and technology. This program utilizes a delivery system made up of four integral parts: formal/technical instruction, experiential learning, supervised occupational experience, and the Career and Technical Student Organization, FCCLA and DECA.

**RECOMMENDED PROGRAM SEQUENCE OF COURSES:**

**Career  
Preparation  
Grades  
11-12** The following describes a recommended sequence of courses developed from industry-validated skills necessary for initial employment or continued related education. All the state-designated Hospitality Management standards are addressed in this instructional sequence.

**52.0900.10** Fundamentals of Hospitality Management: This course prepares students for occupations in a variety of hospitality services and facilities including: hotels, resorts, convention centers, National parks, RV parks, travel agencies and cruise lines.

-and-

**52.0900.20** Hospitality Management Applications: The outcomes of this course are integrated into learning projects and simulations to demonstrate the full range of Hospitality Management standards. Work-based learning activities such as internships, school-based enterprises, or job shadowing are considered a component of Hospitality Management application activities.

**And program may elect to add:**

**52.0900.75 Hospitality Management - Internship:** This course provides CTE students an opportunity to engage in learning through participation in a structured work experience that can be either paid or unpaid and does not necessarily require classroom instruction that involves the application of previously developed Hospitality Management knowledge and skills.

**-or-**

**52.0900.80 Hospitality Management - Cooperative Education:** This course utilizes a cooperative education methodology by providing supervised work-based learning experiences directly related to the standards identified for the Hospitality Management program.
